ARTICLE XXIV

DURATION

The duration of this Agreement shall extend through December 31, 2001. Either party wishing to amend, terminate or modify such contract must so notify the other party in writing no more than ninety (90) days nor less than sixty (60) days prior to such expiration date. Within fifteen (15) days of the receipt of notification by either party, a conference shall be held between the City and the L.S.A. for the purpose of such agreement, modification or termination.

In the event neither party serves such written notice of desire or intention to terminate, amend or modify this Agreement on or before aforementioned sixty (60) days prior to expiration of this Agreement, the duration of this Agreement shall continue for one (1) additional year.
